Komm gut nach Hause **HVV**

Have a safe journey home

What will change?

From 2019 there will also be a HVV ProfiTicket for 2 rings.

Your ProfiTicket ABC is automatically valid as of 01.01.2019 for Hamburg AB. If you still need a ProfiTicket for 3 rings, just inform the contact person in your company.

You can find all you need to know (also for ticket holders with ProfiTickets BCD, CDE and ABCDE) under profiticket.de.

How do I get started?

Your ProfiTicket is only valid in combination with a currently valid photo ID. If a ticket inspector asks you to show him your ticket, you must show your ProfiTicket together with a photo ID. The ProfiTicket must not be sealed into a laminated sheath – then it becomes invalid.

Your ProfiTicket is valid 24/7 as soon as you have signed it with your first name and family name.

It doesn't matter what kind of ProfiTicket you have: at weekends and on bank holidays, you can take 1 other person and up to 3 children (aged 6–14) with you free of charge on the whole network (fare rings ABCDE).

When exactly is that? From Saturdays 0.00 to the close of services on Sunday (= Monday morning 6am).

How do I get even more out of it?

You want to use the Express buses or the 1st Class with a 2nd Class ProfiTicket? No problem. Just buy an upgrade ticket from the bus driver or at a ticket machine for each journey.

Of course, you can also explore the whole network (fare rings ABCDE) Mondays to Fridays too with a ProfiTicket: just buy a supplementary ticket for the extra rings for the journey each way.

What other advantages do I have?

As a ProfiTicket holder, you get attractive special conditions with our mobility partners cambio, DriveNow, Drivy, Greenwheels, Hertz, StadtRAD and switchh.

What act with a control without ProfiTicket?

The ticket inspector will first of all issue you with a notice to pay the increased fare of € 60, but don't worry! If you contact the ProfiTicket Team under 040-3918 3900 within four days we will clear things up in no time and you only need to pay a handling fee of € 3.50.

You have forgotten your ProfiTicket when you want to use a bus? Then you have to buy a bus ticket, I'm afraid.

What should I do if ... ?

... I have lost my ProfiTicket?

Notify the loss to the ProfiTicket contact person in your company. They will take care of getting you a replacement ticket as soon as possible. Your company decides whether they charge a fee (up to a maximum of € 15) for this.

If notice has already been given that the ProfiTicket will be terminated, the declaration of loss can no longer be accepted.

... my name changes?

Just inform your employer of your new name. They will then issue a new ProfiTicket free of charge.

... I am ill for a long time?

If you were in hospital, on a convalescent cure or confined to bed for longer than 3 weeks, the fare money for that time will be refunded to you.

Get the doctor to give you a medical certificate proving this and simply speak to your employer. If you are ill for so long that the end of the period of validity is reached when your salary stops being paid, the ProfiTicket must be returned.

When do I have to return my ProfiTicket?

You must return your ProfiTicket to your employer personally on the expiry of the month in which your contract ends,

- at the end of which you declare that you no longer wish to participate in the ProfiTicket programme.
- or at the end of which the contract between your employer and HVV is terminated.

If you do not return the ProfiTicket in good time, you will be charged the fare money for an all-year 24/7 season ticket for the same zones for each month started. Your obligation to return the ProfiTicket still remains.

The ProfiTicket must also be returned if it is no longer possible to retain the fare money from your salary.

Our tip: get your employer to certify that you have returned the ProfiTicket.

What should I do with my 24/7 season ticket?

Hand in your all-year 24/7 season ticket to your employer when you get your ProfiTicket – HVV will take care of cancelling your subscription. Do you already have a HVV Card? Then just give your employer your customer number.

The fare money for both tickets may be debited in the first month. The excess fare money paid for the season ticket will then be refunded to your account at the beginning of the following month.
